NEW YORK, November 24.

MONEY.

Money—\$620 per cent, closed at 6 per cent.

Prime Mercantile Paper—66½ per cent.

Sterling Exchange—Weak; Bankers' bills, \$4.70; demand, \$4.23.

Governments were weak and declined 4½ per cent.

Railroad bonds were generally weak.

State securities were moderately active and weak.

Speculation on the stock exchange 1-day was active and irregular but generally weak, and prices as a rule were lower than yesterday's close.

The market opened weak and 4½ to 5 per cent lower than yesterday's closing quotations, the latter Chicago &amp; Alton. Immediately after opening prices dropped 4½ per cent, Rock Island, Chicago, Burlington &amp; Quincy, Canada Southern, Reading and New Jersey Central being the most prominent in the downward movement. This was followed by a general recovery of 4½ per cent, the latter St. Paul, but the market again became weak and sold down 4½ to 5 per cent, Missouri Pacific, St. Paul, Canada Southern and Chicago, Burlington &amp; Quincy leading the decline.

The market after this was somewhat irregular, but shortly before midday a general rally of 4½ per cent took place, led by Rock Island, while Wabash preferred fell off 14 per cent.

Subsequently the market again became depressed and early in the afternoon Union Pacific and Omaha receded 2 per cent, Missouri Pacific 1½ per cent, Canada Southern 1½ per cent, Texas Pacific, Wabash preferred and Oregon &amp; Transcontinental each 1½ per cent, and the remainder of the list 1½ per cent.

After this the rate for money (which previously had ruled between 15 and 25 per cent) became easier on account of Secretary Folger's order to release bonds, and the market took an upward turn, advancing 4½ per cent, Ohio &amp; Mississippi, Wabash preferred, Michigan Central, Canada Southern, St. Paul, Union Pacific and Oregon &amp; Transcontinental being the most conspicuous in the move.

In final dealings there was a slight dip in some shares and the market was irregular at a decline on the day's closing quotation of 4½ per cent, Northwest, St. Paul, Canada Pacific, St. Paul, St. Paul &amp; Manitoba and Peoria, D. &amp; I., Evansville being the most conspicuous.

Secretary of the treasury this afternoon directed Assistant Treasurer Acton New York to accept unmatured bonds all calls, including the 11th, without rebate interest, at the rate of \$10,000,000 per week, on any day of the week, payable at the office of the assistant treasurer. The cause for this order is the recent panicky condition of the money market.
